

Ready, Set, Grow!

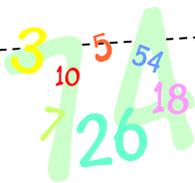

This week our class will be focusing on how plants change as they grow. We will discuss how plants are living things that need food and water—just like us!

Here are some activities that you can do with your child to help reinforce the skills we'll be practicing.

- Words to Know: Help your child use the words to tell about pictures of plants.
- Spelling/Phonics: long i - Work with your child to spell the words, then identify and think of rhyming words. This week's phonic sound is the long i sound, as in kite, side, and fine.
- Comprehension: sequence: Help your child tell a story in order using the words first, next, then, and last.

Math

In Math we will all be testing these coming weeks over skills on I Ready. Our class will test on Thursday.

Medina - will move on to subtraction.

Bull - will be finishing up with solid shapes and moving into subtraction.

Nadratowski - will start working with addition with regrouping.

Classroom Times

Mrs. Nadratowski
November 26, 2018

High Frequency Words -

green grow pretty
should together water

Spelling Words -

like spike ride hide bike mine
green grow pretty
should together water

Santa's Secret Shop

Thursday, Dec. 6th is our day to shop at Santa's Secret Shop. If you choose to have your child shop, please make sure to put your child's money in a sealed envelope with their name and "Santa's Secret Shop" on the outside. Thanks!

Scholastic Book Orders

The December order must be placed by Tuesday, the 4th to make sure they arrive in time. *Please remember books make great gifts!*

If you want to order books for gifts and want it kept secret, just let me know. I will put them aside when they come in and send you and email that they can be picked up in the office.

Winter Weather

Ok! So we are getting a taste of getting dressed in our winter gear to go out for recess! Some of us are going to need some more practice doing it in a timely manner, especially with the snowsuits, but we are getting there!
