

Let's Get Moving!

In Reading this week we are focusing on the different ways we can move our bodies, such as running, kicking, waving, and hopping. We are still working on understanding what key details are in a story and we will be learning about words with r- blends and s- blends, like in stop, grin, and drip.

Our skills are:

high-frequency words

r- blends and s- blends

possessives

and details and illustrations in a story.

Apples, Apples, Apples!

Who was John Chapman?
Why Johnny Appleseed, of course!

This week we are studying the legend of this folk hero who is said to have been responsible for planting apple trees all over the Midwest. We will learn about the apple, as well!

Classroom Times

Mrs. Nadratowski
September 17, 2018

High Frequency Words -

jump move run two

Spelling Words -

jump move run eight nine
ten drop drip grab grass spill spin

Happy

Fall!

Test Scores

Your child is bringing home the 1st round of NWEA and I Ready test scores today. Please look these over as they will give you an idea of your child's strengths and challenges.

Reading at home every day is the best way to help your child become a better reader!

SCHOOL PICTURES
are Thursday,
Sept. 27th!

Math

Our math groups are going well! Here's what the groups are working on this week:

Bull - addition to 10

Medina - addition to 20

Nadratowski - place value to 1000

It's time to send in Box Tops!
Please send in any Box Tops you may have already collected for our October pick up.
