

Follow the Map

This week our class will be focusing on using maps to find their way around. We will learn about different kinds of maps like maps with countries and states and maps with different physical features, such as mountains and bodies of water.

Our tested skills are:
Consonant digraphs *ch*, *-tch*, *wh*, and *ph*

Plural nouns with *-es*

High frequency words

Comprehension - main idea & details of a story

Happy Birthday to
Mrs. Oldham!

MORGAN PTO FUNDRAISER

OUR PTO DOES SO MUCH FOR OUR BUILDING! PLEASE HELP OUT THIS FUNDRAISER WITH WHATEVER AMOUNT YOU CAN DONATE! BE SURE TO ASK RELATIVES AND FRIENDS, AS WELL! AS OF FRIDAY, MISS SOLIDAY'S CLASS IS IN THE LEAD FOR TOTAL MONEY RAISED!

Coats, Coats,
Coats!

Please send a coat with your child now that the weather is turning colder!

Classroom Times

Mrs. Nadratowski
October 29, 2018

High Frequency Words –

around by many
many place

Spelling Words –

whip whale catch match chin graph
around by many place walk

Halloween Costumes

Parents, please practice with our child getting their Halloween costume on. There will be some adults to help with this before our parade but we need this change to be as quick as possible.

Spirit Day

Morgan Spirit Day is Friday, November 2nd. Please have your student wear their Morgan red T-Shirts or Morgan colors.

Math

Our math groups are moving along! Mrs. N and Miss Medina are starting to work with geometry. Mrs. Bull is working on missing addends and addition to 20.

I hope you have seen some of the time test papers (Rocket Math) that your child is bringing home. Everyone needs to get a set of flash cards and start practicing at home. The levels move like this: Adding with 0 & 1, then subtracting with 0 & 1, then both addition and subtraction with 0 & 1, then on to adding with 0 - 2, subtracting with 0-2, and on in that pattern. So start where your child is and work from there on flash cards. You will need to look at your child's test to see where they are. AND as always, please have your child spend some time every week on IReady at home. We work on it here, but sometimes we cannot get all of our minutes in that are recommended.
