Laila Barker
Julian Cruz
Aiden Modglin
Max Overton
Jackson Ramirez

eLearning Day: April 6

As we continue to be reminded, our winter months were not kind. The decision was made to implement eLearning Days as a way to combat the excessive number of days we have to make up. This eLearning Day will take place on April 6th, as communicated by Dr. Case. We are working diligently to make April 6th replicate a normal school day as much as possible. This will take the efforts of everyone...teachers, students, and parents. We will do our absolute best to prepare you, the parents, with all of the information you will need to help make the day a success. Your child will take part in "practice sessions" at school to help ease any fears they may have about the day. As communicated earlier, if internet connection is a problem for your family, our lab will be open on that Saturday for your use. It will be staffed with teachers who can assist you with the ins and outs of Google Classroom. I have no doubt this will be a great experience!

Early Dismissal Wednesday

Please be reminded that this Wednesday will be an Early Release Day. Students will eat lunch at their normal times. Car line dismissal will begin at 12:37. Bus dismissal will begin at 12:45.

Find Us on Facebook

Morgan Township Elementary now has a Facebook page. It is my hope to share good news weekly about the wonderful things that are happening at Morgan. Please "like" us on Facebook so that you can follow our educational journey with your child!

Dates to Note

March 13, 2019: Early Release Wednesday

March 14, 2019: PTO Night Out: 5 Guys

March 14, 2019: PTO Meeting 6:00
Enter Door 2

March 14, 2019: 5th Grade to Purdue Calumet

March 18, 2019: iREAD3 begins for all 3rd graders

Career Fair

It is incredibly important for our young children to start thinking about careers that interest them...even in kindergarten! We would like to give our MTE students a chance to experience numerous different occupations that may be of interest to them! In order to make this memorable, we need YOU!

Do you have a profession that you love? Would you be willing to share first hand knowledge of your profession? Do you feel that is it important for our children to know what is out there for them when they graduate? If so, please consider spending the morning of April 2nd with us! Whether you are a mechanic, nurse, administrator, custodian, architect, small business owner, farmer, or other spectacular professional, we NEED YOU!

Important Information:

Date: Tuesday, April 2, 2019

Time: Set-up between 7:40 and 8:00/Classes run 8:00-11:30

Equipment: We will provide tables, but we will need to know of other needs such as electricity.

Students will come through and ask questions of our professionals. No formal presentations will be given, but questions will be asked! Please feel free to bring equipment or props that are associated with your profession. Handouts are wonderful!

Reading Counts

Quarter Three is almost in the books! Remember, in order to be eligible for the end of the year parties, students must meet their Reading Counts goal three out of the four quarters.

We want everyone to be able to attend, so make sure to keep reading!

EPCSC Core Value of the Month

All of the East Porter County Schools will be focusing on a core value each month of the school year. It is our mission to not only educate our students in the core academic areas, but also teaching them the values that make them a good human being. The core value for MARCH is effort. Effort is the quality of working hard and trying your best!

Thank you for being partners with us in our efforts.
