PTO FUNDRAISER

Field trips, new games, classroom supplies, graduation novelties, courtyard enhancements, books, Grandparents' Day, Daddy/Daughter, Mother/Son Dance, etc... ALL of these items and events are provided to our Morgan families through the PTO budget. Without the assistance of PTO, we would not be able to provide the learning adventures that take place daily in our classrooms.

There is only one PTO fundraiser during the year...and it is just about over! We set a goal of \$15,000 in order to continue to provide the children and teachers with funding throughout the year. This is not a fundraiser that we ask you to sell items or go door to door. Instead, we ask that you donate generously based on what your family can afford. If all of our students donated \$45 we would easily reach our goal. We are realistic, however, and realize that not everyone can afford this size of a donation. Every little bit helps. To those of you who own businesses or work for corporations who offer donations, please share our mission with them. To those who have extended families, please consider reaching out to them as well! New this year is an online link to donate:

Our fundraiser ends on November 5th! Help your child's classroom be the top fundraisers and win a prize!

Find Us on Facebook

Morgan Township Elementary now has a Facebook page. It is my hope to share good news weekly about the wonderful things that are happening at Morgan. Please "like" us on Facebook so that you can follow our educational journey with your child!

Mr. Larry: We will miss you!

Everyone knows the saying that "it takes a village to educate a child". Mr. Larry, our custodian, is definitely a huge part of our village. Although we are sad to see Mr. Larry retire in November, we are so happy that he will have time to enjoy all of the things that he loves. Mr. Larry loves our Morgan kids and goes above and beyond to make sure that they have an environment fit for learning. We will miss his singing in the hallways and welcoming smile, but will never forget his unmatched work ethic and willingness to always lend a helping hand.

Best wishes to a wonderful member of our Morgan family!

EPCSC Core Value of the Month

All of the East Porter County Schools will be focusing on a core value each month of the school year. It is our mission to not only educate our students in the core academic areas, but also teaching them the values that make them a good human being. The core value for NOVEMBER is Appreciation. Appreciation is an expression of admiration, approval or gratitude.

Thank you for being partners with us in our efforts.
