An EPCSC Welcome

On behalf of the entire Morgan Township Elementary family, we would like to introduce and welcome Dr. Aaron Case, our new EPCSC Superintendent of Schools. Dr. Case has most recently served as the Superintendent of Schools at the Kankakee Valley school corporation. With teaching and administrative experience at primary, middle and high school levels, Dr. Case will provide a wonderful knowledge base to lead EPCSC to the next level.

Dr. Aaron Case is familiar with our EPCSC community, as he lived in Kouts for an extended period of time. He is very much centered on family values and the importance that education has on the success of a child.

We are thrilled and fortunate to have Dr. Case lead our staff and students in a positive manner. It an exciting time to be an EPCSC family member!

Please take time to welcome Dr. Case as you see him around our school buildings and events!

EPCSC Core Value of the Month

All of the East Porter County Schools will be focusing on a core value each month of the school year. It is our mission to not only educate our students in the core academic areas, but also teaching them the values that make them a good human being. The core value for NOVEMBER is Appreciation. Appreciation is an expression of admiration, approval or gratitude.

Thank you for being partners with us in our efforts.
