Parent Teacher Conferences

If you have not already done so, please return your parent teacher conference note to your child's teacher. We would like to try and accommodate the time that works best for you. Once we have our schedules complete, you will get a confirmation note with your specific day and time of the conference.

Job Opportunities at Morgan

As I state all of the time, it takes a village to make a successful school experience for our students. We are always in need of additional help! I encourage you to take a look at our EPCSC website for information on positions such as custodial staff help, cafeteria help, and substitute teaching. Substitute teaching is a great way for you to lend a hand to the school, be involved in your child's education, and get an understanding of the day to day operations that go into making a successful school day.

All the information that you would need can be found on the EPCSC website. Please feel free to contact me if you would have questions concerning any of these positions!

Find Us on Facebook

Morgan Township Elementary now has a Facebook page. It is my hope to share good news weekly about the wonderful things that are happening at Morgan. Please "like" us on Facebook so that you can follow our educational journey with your child!

Grandparents' Day

Grandparents' Day at Morgan Township Elementary is just around the corner!

We will celebrate all of our special people on Friday, October 19th. The day will run in two sessions: Grades 1, 3, and 5 will be in the morning, with entry into the building at 8:15. Grades K, 2 and 4 will take place in the afternoon, with entry into the building at 12:25.

Your family received an RSVP form this week so that we can plan appropriately for the event. New this year will be a ticket for all grandparents who plan to attend. We ask that you deliver these tickets to your family members prior to the event.

Please remember that if your child is going home with his or her grandparent, we **MUST** have a Change of Dismissal form filled out for that day. There will be no exceptions to this rule, as we want to make sure all of our kiddos are safe and in the right hands!

EPCSC Core Value of the Month

All of the East Porter County Schools will be focusing on a core value each month of the school year. It is our mission to not only educate our students in the core academic areas, but also teaching them the values that make them a good human being. The core value for SEPTEMBER is CITIZENSHIP.

Citizenship is the qualities that a person is expected to have as a responsible member of the community.

Thank you for being partners with us in our efforts.
